All of the beef that Cucina Calandra uses is top rated for cut and selection. The Black Angus meat that we serve is certified Black Angus meat and is rated in the top 6% of all cuts in the United States & our USDA prime meats are in the top 4% of all cuts of beef in this country." We only purchase the best here at Calandra's".

CALANDRA'S BEEF AGING PROCESS

Our dry aged steak is aged on the bone for 15 days following 3 weeks of wet aging. During this period the sirloins undergo enzymatic changes that intensify the flavor, deepen the color & tenderize the meat by softening the connective tissues. We then grill our steaks on an custom made open wood mesquite grill for a flavor only available at Calandra's.
